**STATEMENT OF ISSUES ON APPEAL OF DOCKET NO. 3970 AND
DESIGNATION OF ITEMS TO BE INCLUDED IN
THE RECORD ON APPEAL OF
WILMINGTON TRUST FSB, AS INDENTURE TRUSTEE**

Wilmington Trust FSB, acting solely in its capacity as Indenture Trustee (the “First Priority Indenture Trustee”), for the First Priority Secured Floating Rate Notes due 2009, issued on or about March 23, 2004, by Calpine Generating Company, LLC and CalGen Finance Corp.

in the original aggregate principal amount of \$235,000,000.00 pursuant to that certain Indenture dated March 23, 2004 (the “First Priority Indenture”), by and through its counsel, Nixon Peabody LLP, hereby states the issues presented and designates the record on appeal to the United States District Court for the Southern District of New York from the Order dated March 12, 2007 (I) Granting Debtors Limited Objection to Claim Numbers 2664, 3275, 3393, Through 3421 (Inclusive), 3546 Through 3554 (Inclusive), 3586 Through 3588 (Inclusive), 3731, 4073, 5653 Through 5730 (Inclusive), 5791, and 5792; (II) Determining the Value of the CalGen Secured Debt Pursuant to Rule 3012 of the Federal Rules of Bankruptcy Procedure; and (III) Authorizing Repayment of CalGen Secured Debt (**Docket No. 3970**).¹

I. STATEMENT OF ISSUES TO BE PRESENTED ON APPEAL²

1. Did the Bankruptcy Court err when it found that the Replacement DIP Facility was in the best interests of the Debtors’ estates?
2. Did the Bankruptcy Court err when it authorized the Debtors to borrow pursuant to the Replacement DIP Facility without finding that the Replacement DIP Facility was in the

¹ The First Priority Indenture Trustee has filed Notices of Appeal relating to the Memorandum Decision and Order dated March 5, 2007, Granting, in Part, Debtors’ Motion for an Order (I) Authorizing Debtors to Obtain Replacement Postpetition Financing to (A) Refinance Existing Postpetition Financing and (B) Repay Prepetition Debt; (II) Allowing Debtors’ Limited Objection to Claims; and (III) Determining Value of Secured Claims (**Docket No. 3875**); the Order dated March 12, 2007 (I) Granting Debtors Limited Objection to Claim Numbers 2664, 3275, 3393, Through 3421 (Inclusive), 3546 Through 3554 (Inclusive), 3586 Through 3588 (Inclusive), 3731, 4073, 5653 Through 5730 (Inclusive), 5791, and 5792; (II) Determining the Value of the CalGen Secured Debt Pursuant to Rule 3012 of the Federal Rules of Bankruptcy Procedure; and (III) Authorizing Repayment of CalGen Secured Debt (**Docket No. 3970**); and, Order dated March 12, 2007 Authorizing Debtors to Obtain Post-Petition Financing Pursuant To 11 U.S.C. §§ 105, 361, 362, 364(c)(1), 362(c)(2), 364(c)(3), 364(d) and 364(e) (**Docket No. 3972**). See Docket nos. 4020, 4018, and 4019, respectively. Given the similarity of issues raised in the prior Notices of Appeal and for the administrative convenience of the parties and the Court, the First Priority Indenture Trustee plans to request that the District Court procedurally consolidate these appeals and treat them as one appeal for all purposes, including, without limitation, record designation and briefing.

² To the extent that capitalized terms are not defined herein, they shall take the meanings ascribed to them in the First Priority Indenture Trustee’s Objection to the Debtors’ Motion for Order (I) Authorizing Debtors to Obtain Replacement Postpetition Financing to (A) Refinance Existing Postpetition Financing and (B) Repay the Prepetition Debt; (II) Allowing Debtors’ Limited Objection to Claims; and (III) Determining Value of Secured Claims (Docket No. 3692).

best interests of the CalGen Debtors and the creditors of the CalGen Debtors, including, without limitation, the CalGen Lenders?

3. Did the Bankruptcy Court err when it found that each of the CalGen Debtors satisfied the requirements of the Bankruptcy Code for entry into the Replacement DIP Facility, including, without limitation, when the Bankruptcy Court: (a) found that the CalGen Debtors satisfied each of the requirements set forth in 11 U.S.C. § 364; and (b) made, with regard to each CalGen Debtor, the “Findings Regarding the Financing” contained in Paragraph No. 3 of the Order Authorizing Replacement DIP Facility?

4. Did the Bankruptcy Court err when it found that each of the CalGen Debtors negotiated the Replacement DIP Facility in good faith, in the exercise of prudent business judgment, and that the lenders for the Replacement DIP Facility are entitled to the protections of 11 U.S.C. § 364(e) *vis-à-vis* the CalGen Debtors, where: (i) there was no evidence presented that any authorized representative of the CalGen Debtors actually participated in any negotiations concerning the Replacement DIP Facility while acting in the capacity as an agent for the CalGen Debtors; and/or (ii) there was no evidence that the CalGen Debtors, which are substantial lenders to the other Debtors in these cases, actually need or needed any new financing and (iii) the Bankruptcy Court repeatedly precluded the examination of the Debtors’ sole witness on the reasons that purportedly supported the decision to enter into the Replacement DIP Facility?

5. Did the Bankruptcy Court err when it granted a lien to the Collateral Agent (as defined in the Debtors’ Replacement DIP Motion) for the benefit of itself, the Agent, and the DIP Lenders without first determining that the interests of the CalGen lienholders were adequately protected as required by § 364(d)(1)?

6. Did the Bankruptcy Court err in ordering that the claims of the Indenture Trustee would be expunged upon payment of the “Repayment Amounts” (as defined in the Claims Order)?

7. Did the Bankruptcy Court err in ordering that the claims of the First Priority Indenture Trustee would be expunged upon payment of the Repayment Amounts where various Debtor affiliates of the CalGen Debtors expressly guaranteed all obligations of the CalGen Debtors?

8. Did the Bankruptcy Court err in failing to apply the proper measure of damages in determining the claims of the First Priority Indenture Trustee arising out of the Debtors’ breaches of the “no call” and prepayment provisions of the First Priority Indenture?

9. Did the Bankruptcy Court err when it found that the “damages” claims of First Priority Indenture Trustee should be treated as unsecured claims when the First Priority Lien Documents (as defined in the First Priority Indenture) provide that all obligations of the CalGen Debtors to the CalGen Lenders are secured obligations?

10. Did the Bankruptcy Court err when it found that damages of 2.5% were a reasonable proxy of actual damages to award the First Priority Indenture Trustee for the Calgen Debtors’ breach of the prohibitions against prepayment, instead of awarding the actual damages proven at trial through the affidavit and testimony of Steven Darr whose testimony was not controverted?

11. Did the Bankruptcy Court err when it held that “no-call” provisions contained in the First Priority Indenture and the notes issued thereunder are unenforceable in bankruptcy?

12. Did the Bankruptcy Court err in deferring a ruling on default interest due to the First Priority Indenture Trustee which was over-secured, where default interest is explicitly

provided for in the First Priority Indenture and the other First Priority Lien Documents and thus an allowable portion of a secured claim under 11 U.S.C. § 506 where all issues relevant to such a determination were either before the Court or could have been before the Court had it not repeatedly precluded the introduction of further evidence of CalGen's solvency, and denied the Emergency Motion of Manufacturers & Traders Trust Company To Adjourn Hearing (Dkt. No. 3771) and First Priority Indenture Trustee's Joinder thereto (Dkt. No. 3774) and denied First Priority Indenture Trustee's Motion to Compel Production or to Preclude Entry of Evidence (the "First Priority Indenture Trustee Discovery Motion") (Dkt. No. 3777)?

13. Did the Bankruptcy Court err when it modified the fees, expenses and other amounts that First Priority Indenture Trustee is entitled to receive in light of numerous facts entitling First Priority Indenture Trustee to timely payment of all of its fees and expenses provided for in the First Priority Lien Documents, including, without limitation, the fact that: (i) the First Priority Indenture Trustee is over-secured and, thus, entitled to all amounts provided for in the First Priority Indenture and the other First Priority Lien Documents pursuant to 11 U.S.C. § 506; (ii) no determination of the amount of default interest will have been made; and (iii) First Priority Indenture Trustee's duties as an indenture trustee will continue because the prepayment premium will not have been paid and numerous other issues remain outstanding?

14. Did the Bankruptcy Court err and deprive the First Priority Indenture Trustee and the holders of the first lien debt issued pursuant to the provisions of the First Priority Indenture of their constitutional due process rights when the Bankruptcy Court authorized the prepayment of the amounts due on such first lien debt outside of a plan of reorganization and in breach of the "no call" provision?

15. Did the Bankruptcy Court err when it failed to find that the prepayment of the first lien debt was voluntary, which finding would have required a finding that the Debtors could only escape compliance with the “no call” provision through a plan of reorganization?

16. Did the Bankruptcy Court err when it found that proper notice of the objection deadline and hearing on the Refinancing Motion, the objections to claims contained therein, and the lien modification requests contained therein, had been given where no notice was provided to the holders of the debt issued under the First Priority Indenture and where the request for the lien modification was made on motion instead of in an adversary proceeding?

17. Did the Bankruptcy Court err when it entered the Order Authorizing Debtors to Obtain Post-Petition Financing Pursuant to 11 U.S.C. §§ 105, 351, 362, 364(c)(1), 364(c)(2), 364(c)(3), 364(d) and 364(e) (“Order Authorizing Replacement DIP Loan”) and Order (I) Granting Debtor’s Limited Objections to Claims Numbers 2664, 3275, 3393 through 3421 (Inclusive), 3546 through 3554 (Inclusive), 3586 through 3588 (Inclusive), 3731, 4073, 565325730 (Inclusive), 5791, and 5792; (II) Determining the Value of the CalGen Secured Debt Pursuant to Rule 3012 of the Federal Rules of Bankruptcy Procedure; and (III) Authorizing the Repayment of CalGen Secured Debt (the “Claims Order”), each of which purports to alter the obligations secured by the liens granted to the Collateral Agent and modifies those liens?

18. Did the Bankruptcy Court err where it entered orders purporting to alter the liens granted to the Collateral Agent where the issue was joined by motion instead of an adversary proceeding?
